Our Surgeons

All of our surgeons and physicians are highly qualified, experienced and enthusiastic professionals with a broad range of specialisms. We deliver continuity of care by ensuring that all patients are under the direct care of the same consultant surgeon or physician from the very first appointment, through treatment to the follow-up appointment.

Our Patients

Patients can arrange their treatment at times that are convenient for them, as we offer appointments throughout the day, including early morning, evening and some Saturday clinics. Our visiting hours are flexible, allowing friends and family members to visit at convenient times. The hospital has free parking.

Meet the GP Liaison - How we can help

Our aim is to provide a personalised service for you, ensuring you have an individual point of contact at Rowley Hall Hospital and an efficient pathway of care for your patients at all times. As such our dedicated GP Liaison Officer has the experience and knowledge of the NHS and Private healthcare structure, understanding the changing needs of healthcare and available to discuss any new or existing service plans for your community.

Through our GP Liaison Officer we offer the following support to help you advise and care for your patients:

- Opportunities for Lunch & Learn education within your surgery.
- Host your PPG meetings.
- Convenient and easy to use Private online referral system.
- Friendly and helpful personal contact for any queries.
- Annual GP Referral Guide and regular hospital updates.
- ERS Medical Secretary Workshops.
- Clinic and Theatre Observation.
