Referring **Private Patients Online**

The Ramsay Health Care online Patient Referral system has been designed to allow you to refer private patients easily, quickly and securely to your Ramsay hospital of choice.

As well as being quick and easy to complete, using the online system will also help reduce your postage costs and speed up the referral process - all in a secure, online environment.

To make a referral, simply visit [ramsayhealth.co.uk/patientreferral](https://www.ramsayhealth.co.uk/patientreferral) and complete the short form.

MAKING AN ONLINE REFERRAL

1

In your browser go to www.ramsayhealth.co.uk/patientreferral.

Login with **Ramsayonline** and Password: **Ramsaygp**

2

Select the Ramsay hospital that you wish to send the referral to from the drop-down list

3

Attach a copy of the referral letter by clicking on 'Select' and adding the file or copy and paste it directly into the form

4

Complete the remainder of the form noting the mandatory fields marked with an asterisk

If the consultant is unknown please select 'specialty referral only'

5

Once you have completed the form, press the 'Submit' button to send the referral directly to the Ramsay hospital

6

You see an immediate confirmation that the referral has been received (also sent by email) and the hospital processes the referral

Private Patient **Manager**

As Rowley Hall Hospital is committed to the provision of a first class, high quality experience for all patients, we provide a Private Patient Manager service.
